

For 9 years my Family and I have been going with Hidden Canyon Kayak to Lake Powell for 1 week of kayaking, camping, eating like kings and queens, hiking in slots that make your heart pound with adventure and beauty ...waking up to the whoosh of the gas stove for hot coffee and a breakfast of fresh fruit, eggs, bacon, muffins or french toast or corn beef hash or pancakes and all the goodies to go with. Then we set about getting ready for a day on the water... button down the camp site and grab your personal gear and push off for a day of the most fun that can be had with your clothes on! Lunch is a spread for sandwiches. Everything you want or need is right there in front of you.... then more kayaking and hiking ... then back to camp. Where you can kick back, go local hiking, take a bath, while the crew sets out hot soup and goodies before dinner. Dinner is always Outstanding. So with a great day of kayaking and hiking a great dinner and a few drinks everyone is so mellow. Good laughs and jokes around the campfire round out the perfect day ...then the night sky puts on a show ...takes your breath away and makes you believe in magic. But then what awaits are gold walls and glass water in the sunrise. Yes another perfect day is beginning. Dave Panu is the owner and everything to every person ... he leaves No room for chance ...but he wants every person to have the best possible experience ...to learn lots more go to the web site for Hidden Canyon Kayak Lake Powell ....Time on the water in the Beauty of the canyon... feeling your body work with nature...hearing the paddles push the water. Seeing the joy on faces around you makes you feel Alive ...Life Is Good with Hidden Canyon Kayak.
